5.1.3 - Capacity Building and Skills Enhancement Initiatives (2022-23)

Introduction:

Language and Communication Skills:

On 28.10.22, students at Dr. Bhimrao Ambedkar Govt. College, Pamgarh, our students had the privilege of attending a talk by Dr. G.A. Ghanshyam, Professor of English a renowned expert in language and communication skills. Dr. Ghanshyam delivered an insightful and engaging presentation titled "The Power of Language: Effective Communication and Professional Etiquette," emphasizing the crucial role these elements play in personal and professional development.

The Power of Language:

Dr. Ghanshyam's talk began by highlighting the inherent power of language. He emphasized that language is not just a tool for conveying information; it is a potent force that shapes our thoughts, perceptions, and interactions with others. He stressed the importance of using language consciously and purposefully, choosing words that resonate, inspire, and build bridges.

Importance of Communication Skills:

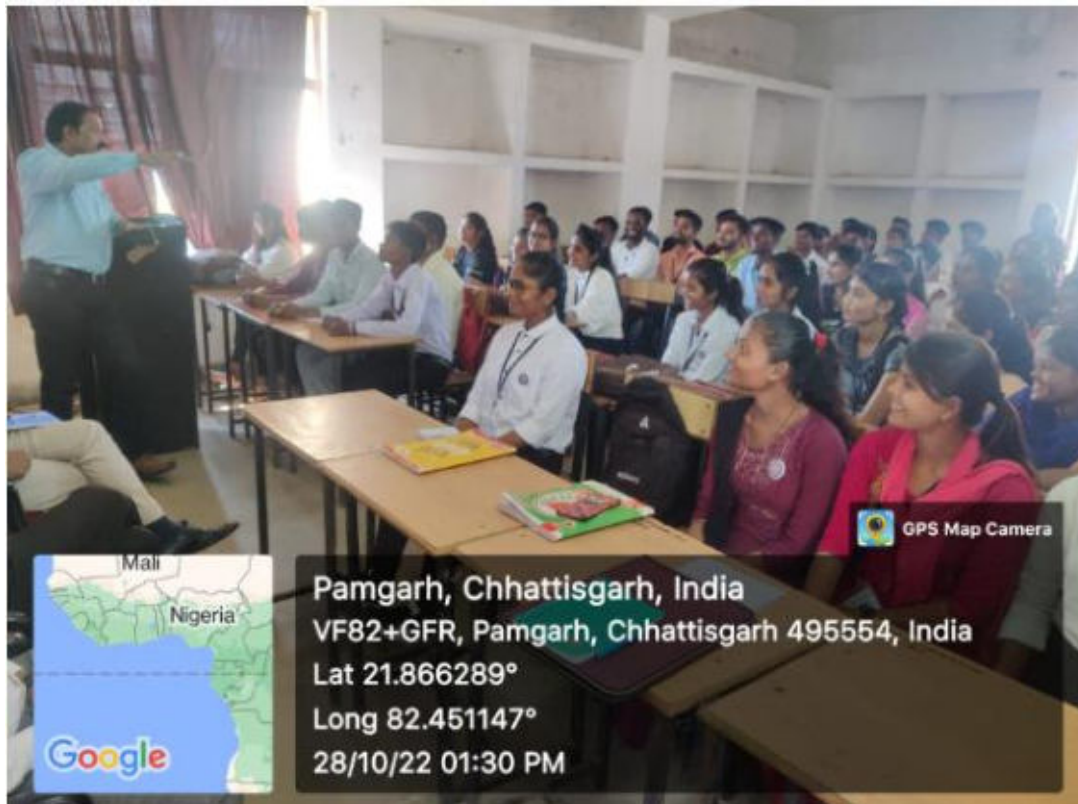

Dr. Ghanshyam then delved into the importance of effective communication skills. He explained that clear, concise, and confident communication is essential for success in all aspects of life, from academics and careers to personal relationships. He discussed various communication techniques, including active listening, assertive communication, and the art of storytelling. He emphasized the importance of tailoring communication styles to different audiences and contexts.

Body Language and Nonverbal Cues:

Dr. Ghanshyam went beyond spoken language, highlighting the impact of body language and nonverbal cues. He explained that nonverbal communication, including posture, facial expressions, and gestures, can often speak louder than words. He offered practical tips on using body language effectively to project confidence, credibility, and professionalism.

Professional Etiquette:

The talk concluded with Dr. Ghanshyam emphasizing the importance of professional etiquette in various settings. He covered topics such as workplace communication, email etiquette, appropriate attire, and cultural sensitivity. He stressed that adhering to professional etiquette demonstrates respect, builds trust, and creates a positive and productive work environment.

ICT/Computing Skills:

- Training programs were offered to enhance ICT skills (e.g., basic computer literacy, software training, digital literacy workshops)

Dr. Ashish Tiwari, addressed students on the importance of novel technology, e-learning, and using interfaces for learning. He emphasized the need for computer and mobile-friendly techniques and using ICT tools on mobile. He highlighted the growing role of technology in education and the need to adapt to these changes. He explained how these techniques can help students learn more effectively, and in a way that suits their individual needs and preferences. Finally, Dr. Tiwari encouraged students to use ICT tools on mobile devices, such as smartphones, to access educational resources. He explained how these tools can provide students with access to a vast range of educational materials, including e-books, videos, and interactive quizzes. By embracing novel technology, e-learning, and computer and mobile-friendly techniques, students can enhance their learning experience and gain access to a wealth of educational resources that were previously unavailable.

एवं
स्व. रविशंकर शिक्षण परिषद एवं जन कल्याण समिति
के संयुक्त तत्वाधान में

विशाल रक्तदान शिविर आयोजन

दिनांक: 08-01-2023

रक्तदान करने के फायदे

1. रक्तदान से हार्ट अटैक की सम्भावनाएं कम होती हैं, क्योंकि रक्तदान से रक्त का एकका भरी जमता, इससे रक्त का रसायन में घटता हो जाता है और हार्ट अटैक कम आता है।
2. रक्तदान करने से रक्त कम करने के लिए इंसुलिन इतना कम से कम 2 बार लेना चाहिए।
3. रक्तदान से शरीर में एनर्जी आती है, रक्तदान के बाद नए खून से रक्त बनता है, जिससे रक्त कम आती है।
4. रक्तदान करने से शरीर में रक्त कम आती है, शरीर में रक्त कम आती है और रक्तदान करने से रक्त कम आती है।

शिविर स्थान
