Subject: Request to provide permission to conduct a video event to celebrate World Mental Health Day 2023

Respected Sir Madam,

With immense pleasure, we would like to share with your good self that like last 4 years, this year too, Youth Peace Foundation (YPF) is celebrating World Mental Health Day 2023. The day is being celebrated by organizing 'MENTAL HEALTH AWARENESS WEEK' (MHAW) from 08th October to 15th October, 2023.

In this line, we would like to take up the opportunity of celebrating World Mental Health Day with authorities, staff and students of your institute in any of the day of above week.

Content of the event:

- Animated motivational story
- Video presentation of 'Message of Humanity and Peace' by Ambassador of Peace Mr. Prem Rawat, an internationally acclaimed speaker, an author and a storyteller, who is working for humanity and Peace for more than 56 years.
- Interaction with participants based on the topic and theme
- Interesting activities

The objective behind getting such events organized is creating awareness for fundamental need of being healthy mentally and giving people an opportunity to listen to receive deep insights on this subject. These events get organized free of cost and purely in true service to humanity.

To know more about us, please visit website www.youthpeacefoundation.org.

We are looking forward in anticipation of favourable response from you.

Thanks and Regards

Mentorship Programs for ICT Workshop

Date: 21.03.24

Introduction:

This report outlines the mentorship programs implemented to facilitate an ICT workshop designed to familiarize students with Google Forms, email creation, and DigiLocker. The mentorship program aimed to prepare student mentors to effectively guide their peers during the workshop and ensure a smooth and successful learning experience.

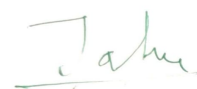

Technical Skills: In-depth training on creating and using Google Forms, creating and managing email accounts, and navigating and utilizing DigiLocker.

Increased Student Engagement: The presence of peer mentors created a more relaxed and supportive learning environment, which increased student engagement and participation in the workshop.

Conclusion:

The mentorship program played a crucial role in the success of the ICT workshop. By providing personalized support and guidance, mentors ensured that all students were able to successfully learn about Google Forms, email creation, and DigiLocker. The program also provided valuable opportunities for mentors to develop their leadership and interpersonal skills.
